

Additional Terms and Conditions for the Acquisition of Commercial Items Funded Under U.S. Government National Aeronautics and Space Administration Contracts

In addition to the terms and conditions of GA 1603, "Terms and Conditions for Commercial Orders (Supplies and Services)," the following clauses in Part 52 of the Federal Acquisition Regulation (FAR), and Part 1852 of the National Aeronautics and Space Administration (NASA) Federal Acquisition Regulation Supplement (NFS), set forth below, and in effect on the date of the Order, are incorporated by this reference and made a part of the Order when the condition(s) for applicability is/are met. In all such clauses, the term "Contractor" and "Offeror" shall mean "Seller;" the term "Contract" shall mean "Order," and the term "Government Contracting Officer" (or equivalent phrases) shall mean "Buyer," except that in those clauses conferring patent and data rights to the Government, the term "Government" or "Contracting Officer" retains its literal meaning and is not to be construed as "Buyer."

The FAR and NFS clauses referenced below shall apply to Seller and its lower-tier subcontractors in such a manner necessary to reflect the position of Seller as a subcontractor to Buyer to ensure Seller's obligations to Buyer and to the U.S. Government, and to enable Buyer to meet its obligations under its contracts funded by the U.S. Government. Clauses incorporated by reference have the same force and effect as if they were given in full text. The full text of a clause may be accessed electronically at the following address: www.acquisition.gov.

The following FAR Clauses apply regardless of the dollar value of the Order:

- 52.203-19 Prohibition on Requiring Certain Internal Confidentiality Agreements or Statements
- 52.204-21 Basic Safeguarding of Covered Contractor Information Systems
- 52.204-23 Prohibition on Contracting for Hardware, Software, and Services Developed or Provided by Kaspersky Lab and Other Covered Entities
